

Regional Gathering

January 10 & 11, 2025

"I have done what is mine to do; may Christ teach you what is yours."

St. Francis

GOALS

The broad purpose of this Regional Gathering will be to *understand and develop further our desired approach to leadership within the context of a newly emerging paradigm for the way we wish to govern our lives, live community, and carry forth our mission.* All of this is an effort to deepen our personal and communal transformation.

The specific goals for this Regional Gathering will be to:

1. Build upon the steps we have taken and to understand more deeply, and further develop, the possibilities of creating a new paradigm of governance.
2. Look at specific examples of alternative paradigms to stimulate our imagination and unearth creative possibilities for our own discernment.
3. Introduce the process we will use for surfacing names of those sisters we wish to invite to discern the call to serve in leadership.
